North Charleroi Council, In Its Regular Monthly Meeting, Passes Resolution For Improvement of Portion of Pennsylvania Avenue

OTHER MATTERS TAKEN UP

Steve Melinovac Gets Five-Year Contract For Removal of Garbage—Proper Officials Authorized to Execute Contract for Compensation

At the regular monthly meeting of the North Charleroi Borough council held last night the most important business transacted was that of the passing of a resolution by the body for the improvement of Pennsylvania avenue, from the end of the concrete pavement north to the Borough line, the same to be located so as to connect with the state highway route to the city of Monongahela; also that the secretary notify the State Highway department of the action of the members of North Charleroi council in passing the resolution.

A five-year agreement and bond was accepted from Steve Melinovac for the removal of garbage.

The proper borough officials were authorized to execute the contract for the Workmen's Compensation in the death of Constable W. A. O. Cratty.

The Lock No. 4 Volunteer Fire department was given permission to erect a temporary structure for the fire truck and apparatus pertaining thereto, the same to be located in Lock street.

A question was raised relative to the sidewalk in Lock street, the secretary being instructed to bill the property owners for the same.

The ordinance committee was instructed to secure a schedule of rates charged to hucksters and peddlers in neighboring boroughs.

A new parking ordinance was taken up and passed first reading. It is the purpose of council to take the ordinance up for final reading at a meeting to be held on Monday, October 13.

At the session last night members present were President Doerzbacher, Gaskill, Plasman, Strausser, Wildman, Wolff, and Simpson. The report of the finances of the borough disclosed:

Receipts, \$7293.92; disbursements, \$3869.65; balance, \$3424.27. Burgess Franks reported fines collected in the sum of \$35.

A number of residents were present, requesting repairs to streets and sewers, their overtures being referred to the street committee. Complaints received relative to sidewalks

REWARD FOR RADIO MEDDLERS IS UP TO ONE HUNDRED

Just about the time Secretary Hoover was to begin his address before the radio conference last night at Washington, D. C., and which was broadcasted by about 20 different stations, "bang" came in the usual interference and for a time it looked as though the fans would be deprived of hearing the secretary talk. And no sooner had the noise started than Mr. Wheeler, of Regan & Hormell, said, "Put Regan & Hormell down for an additional \$50 to the man who will locate or stop that noise." So, with the \$50 offered yesterday by George S. Micht Sons and the \$50 by Regan & Hormell, the reward is now \$100. There are no strings to the reward. Just locate the cause of the interference, or see that it is stopped, and you can collect.

Quite a number of "radio experts" of Charleroi claim they are going to pull down that \$100, so if you see a staid resident parading around the street with a loop on his head and a receiving set strapped to his back, don't imagine that he has developed a bad case of static, he is only after that \$100 so he can buy more parts to build a world beating set. But, of course, he don't intend to use it until the interference is stopped.

BIG BARGAIN, \$1.95.
For Monday and Tuesday only, Electric Lamps complete, includes lamp, shade, globe and extension cord, only \$1.95. Three piece Console set, \$1.95. 1 set Polychrome Candle Sticks with candles, only \$1.98. On display in our window. Porter's Jewelry Store, 502 Fallowfield avenue, Charleroi. 10412

were also referred to the street committee.

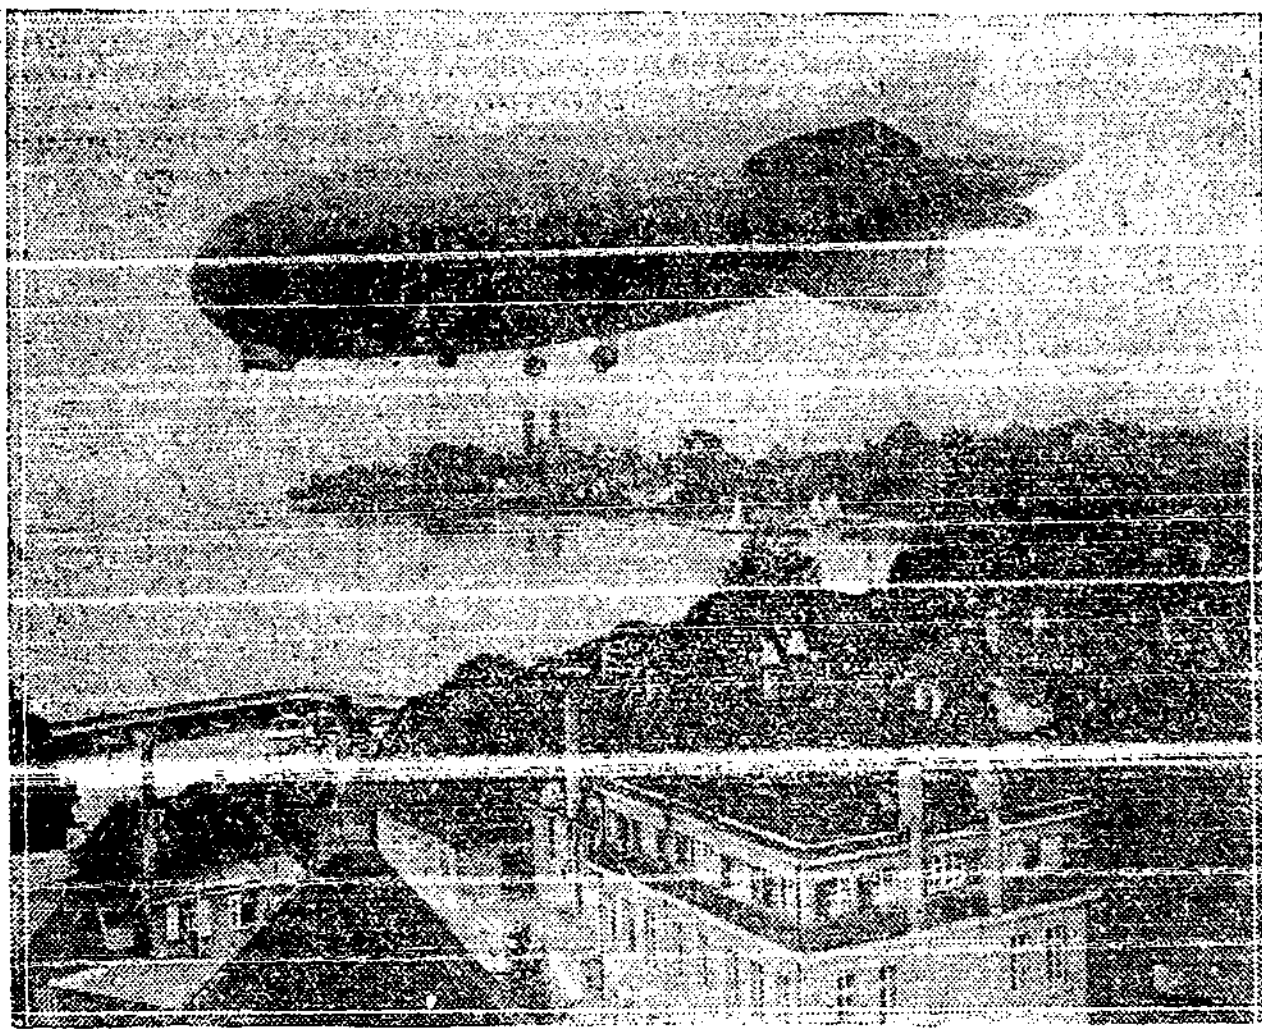

The regular monthly bills were ordered paid.

The request for a new light in Lock street was referred to the light committee.

The tax collector reported: August collections, \$1465.92; September collections, \$1287.35.

The borough clerk reported that two bonds for \$1000 each and a note for \$1000, floating debt, had been paid during the month of September.

Dr. Greenlee To Be Located In The Vicinity

In the list of appointments in this, Washington district, of the Methodist Episcopal church, made in conference at Wilkensburg, the Rev. Dr. E. H. Greenlee, who has been pastor and spiritual advisor of the local Methodist Episcopal flock for the past five years, is transferred to South Brownsville. Dr. Greenlee came to Charleroi from the Ross Avenue Methodist Episcopal church, Wilkensburg. He will formally assume the duties incident to his new charge on next Sunday.

Dr. Greenlee is succeeded here by the Rev. J. E. Morrison, who has been pastor of the Swissvale Methodist Episcopal church for the past four years. He will fill the local pulpit next Sunday, both morning and evening, and is expected to arrive in Charleroi to look his new charge over and get acquainted with the people of the parish, probably tomorrow. Dr. Greenlee expects to move from the M. E. manse here next week, after which the Rev. Morrison will move his family, consisting of his wife and two children, here from Swissvale.

Rev. Morrison has been a member of the conference for a period of 19 years, and comes here bearing the highest testimonials as to his ability as a pastor, and his character as a man.

The pastor at South Brownsville, whom the Rev. Greenlee succeeds, Rev. E. H. Ehrhardt, is transferred to Jeannette.

This evening in the local church, a reception has been planned for Dr. and Mrs. E. H. Greenlee, which will be punctuated with well wishes for the divine and Mrs. Greenlee in their new home, by Charleroi pastors and people who will voice in talks their appreciation of the worthy couple and the work they have done for human betterment in lines of christian endeavor and uplift in the borough. A splendid program has been arranged, which will probably be introduced or followed with a banquet.

The members of the committee will be at the room, Wednesday evening in order to receive any articles to be turned in. Rev. Kimports Resigns Charge At Mon. City

Rev. Paul Kimports, who has spoken here before the Charleroi Rotary Club, and is well known to a number of local people, has resigned his charge as pastor of Grace Lutheran church, Monongahela. On November 1 he will begin his new work as pastor of a church at Hershey, Pa., near Harrisburg. The divine has been a resident of Monongahela for five years.

FIRE TRUCK IS BEING TAMPERED WITH, REPORT

The police and fire departments of Monongahela are investigating to determine the identity of person or persons who recently tampered with the fire trucks, presumably at the fire station, and inserted matches in the gasoline tank, which later became lodged in the feed line leading to the engine.

The fact that trucks were out of adjustment Saturday night when they made the trip to the Cyclops Foundry Company fire, was discernible to the drivers and a number of pedestrians along Main street in the city named. The matter was taken up by Five Chief Myers, who reported it to Chief of Police S. S. Burnsworth.

With more than three hundred in attendance the affair Saturday was a great success and the members of the organization feel justly proud of their efforts. Ninety-seven babies were registered and received in the clinic examination under the direction of Dr. J. W. Hunter and Dr. W. L. Botkin with the assistance of five nurses, headed by Miss Anna N. Olive local Red Cross nurse.

Tea was served to all present. Those who poured were Mrs. Goldstein, Mrs. William McBride, Mrs. Nathan Greenberg with the assistance of Mrs. Clive Enos and Mrs. Della Halstead. A large quantity of candy and cakes was sold at the booths.

The musical program presented was greatly enjoyed, the chief attraction being the appearance of the Charleroi High School Kitchen band. Their selections were highly pleasing. Mrs. Gordon Harrington entertained with a musical reading, "When Grandma Was a Girl." Mrs. Edgar Wilson playing the accompaniment. Miss Betty Yon also gave a pleasing musical reading, while Mrs. Wilson entertained with a number of vocal solos.

Two New Eagle Youths Plead Guilty to Entering Store—Bentleyville Liquor Sellers Are Sentenced— New Trial In One Case

NICK BARON SENTENCED

Resident of Midway Section Pleads Plea of Guilty to Unlawful Manufacture And Possession of Liquor—Sentenced to Pay Costs, Fine, and Jail Term

Before Judge Erwin Cummins yesterday, Clyde Carney and Peter Uhl, two young men who reside in New Eagle, entered pleas of guilty to charges of burglary and larceny. Carney was sentenced to Huntington and Uhl, the younger, to Morgantown. They were arrested for entering four different places. At the store of George A. Prichard in New Eagle, on January 15, last, they secured a box containing \$10 in small coin, and \$2 from the cash register. Their next place was the store of George Morlet, where they secured \$15 from the cash register on August 5, 1924. On August 21, they secured a gold watch and chain, valued at \$50, a string of pearls worth \$25, a cameo pin, \$10 and a \$5 bill and other property from Joseph Brinker.

They were charged with burglary in connection with breaking into the house of Millie Wilson on, night of September 22, but they did not succeed in getting anything of value.

Edward Goldman, the young man claiming St. Louis as his home, who was arrested last week by the Washington police, and charged with carrying concealed weapons when a \$20 calibre Colt six-shooter was found upon his person, entered a plea of guilty. He had been seen loitering about in a suspicious manner several nights, and when he could not give a good account of himself he was taken in charge by the police. The revolver was then found upon him. He informed the court that he was looking for work. He was sentenced by Judge Cummins to pay the costs, a fine of \$50 and four months in the workhouse.

Pete Galas and Mary Galas, both of Bentleyville, entered pleas of guilty to the manufacture and possession of liquor. They were arrested by Chief of Police H. B. Lake, of Bentleyville, after complaint laid by Pete Galas. (Continued on Page Four)

Getting Ready For The Anniversary Services Of A Nearby Church

The Methodist Episcopal congregation of Belle Vernon, together with the pastor of the church, the Rev. D. L. Headlee, is very active just now in preparation for the celebration of the nineteenth anniversary of the church society to be held on the week of October 12. Many former members of the church, who have taken up their abode elsewhere, have announced their intention to be present for the entire program, covering a period of eight days, and doubtless many faces of happy days will be seen in Belle Vernon during the week. Naught appeals to the expatriate more than a "home-coming." It is a delight to once again tread the old familiar streets and to mingle with and be greeted by those with whom one has been at some time in the past constantly associated. The exchange of reminiscences always draws closer the bonds of friendship grown perhaps a bit lax by separation. "Do you remember?" and with the relating of some experience of the days gone by which has been shared, but which has been saved in memory's store-room, pushed aside by today's pressing activities, brings a laugh perhaps, or a sigh, and welds closer than ever the old time brotherhood.

Mention has already been made in these columns of some of the notable speakers secured for this series of services. There are also other features worthy of note. The afternoon session of Sunday, October 12, will be a round table, with Ernest Kearns

as leader, and with the pastors of the other Belle Vernon churches participating. Monday and Tuesday, October 13 and 14, all day, will be given over to a Young People's Conference of the Fayette County Sunday School Association, closing with a six o'clock banquet in the church dining room. Rev. E. D. Bonsall, Jr., and Miss Esther I. Williams, both of Philadelphia, will be the speakers, and a great treat is in store for all who are interested in the development of the young people.

Tuesday, Wednesday and Thursday evenings the pulpit will be occupied by former pastors, and on Friday evening the church choir will present an Old Folks concert. F. H. Steen, who is the efficient director of this choir, has mustered a large chorus for this occasion, and it promises to be the best yet of the "old time songs" for which this congregation is noted. The church doors will be opened at "early candle light" and those who wish to secure good seats with an unobstructed view of the funny and interesting costumes which are being exhumed from the dusty attic trunks should light up old lantern and settle out early. Anthems by the choir, solos and other special musical features by its members will form a part of the celebration.

The public is invited to attend all of these events, and the entire program will be found to be of a high order.

COUNTRY CHILDREN LOSERS.

About 20 millions of American children have just begun their school year of 1924-25. Each one of them should attend as nearly 200 school days as possible. That is the length of school term in our best schools. On the average, children are in school for much more than 165 days. For rural schools the term is much shorter. The cost of keeping the schools open will be not less than 1.5-4 billions of dollars. It has been estimated and probably correctly that every day in school is worth from \$16 to \$17 to a child because he will be able to earn that much more in later years. It is fact that a boy that is 16 years old and has attended 160 days each this coming year represents a production by the schools of some 50 billions of dollars of potential wealth, nearly thirty times the expenditure for the schools. Not many investments are as good as that of paying such enormous dividends. We could estimate the school year as worth much less than \$16 a day and still have many times as much justification for all the money spent on education. But great return is we can not afford to reduce it by keeping children out of school or by letting them go irregularly. A child ought not to throw away \$16 day for any trivial reason. A few years he will be compelled to compete with others who have made most of that day and of as many more school days as they could. It is a business then to keep the school open for a long term and keep all the children in it every day.

MUCH INTEREST IN THANKSGIVING GAME

Charlottesville-Donora Game

It will be of interest to local football fans who are closely following the destinies of the Charlottesville High school team to know that the game scheduled to be played Thanksgiving morning at Donora has been shifted to the Monessen High school field. At a meeting of valley schools last Thursday evening at Monessen. Superintendent Gillen of Donora offered to play the game on a neutral field, suggesting Monessen. This plan was readily agreed to by the local High

NEW YORK CAPTURES
THIRD GAME AND
NOW HAS AN EDGE

Out of one of the wildest maelstroms that any world's series ever witnessed the New York Giants emerged victorious yesterday over Washington in the third game and gained a commanding edge in the 1924 championship struggle.

Fought out on a new battlefield before the greatest crowd that ever flocked to the Polo Grounds, lair of the four-time National League Champions, the Giants won by a margin of 6 to 4, but the outcome was in doubt until the final play in the ninth inning, when the Senators were checked only after staging a typically spectacular finish.

Three runs behind going into the ninth, after a luckless battle against heavy odds, the Senators scored one run and had the bases full with only one out when Long John Watson, the third Giant pitcher of the inning, stopped the rally and saved the game for the McGrawmen.

This was the climax to a game that, though sparkling at times with the most brilliant sort of play, was also largely of sandlot character, punctuated with loose work, missed opportunities and marked by the most ineffective exhibition of twirling any series contest has witnessed in years.

In a "parade of the wooden pitchers," four novices were called into the hectic fray by each of the rival managers, while the rush of other reserves produced a total of 29 combatants before the smoke of battle had cleared.

school athletic council as the Donora field is not enclosed. The contract calls for 50 per cent of the receipts after the expenses have been deducted. This should mean a considerably larger amount than was received by Charlottesville two years ago at Donora. J. W. This arrangement will be more convenient for local fans.

VAN VOORHIS
LOSES TO THE

The Brunswicks exhibited a much more certain brand of football than they did a week ago against the Roscoe Tigers. There was evidence of a polishing-off fewer fumbles, concentrated interference and harmonious line charges and blocking.

The first touch down was carried by "Head" Nandor in the middle of the second quarter resulting from a series of successful runs, and plunges at the weak VanVoorhis guards and tackles. The second touch down was made by Mickles, a tough tackler recovering a fumble and running twelve yards for a touchdown. Third was made by "Denny" Woodard, former high school star, who intercepted a pass and ran fifteen yards before being tackled. The ball was over in two days. "John Guen" and "Hubert" showed their supremacy on end. Magula and Spink were showing their "stuff" on the line. Lang and Biagini played a good game. "Hazuka" the diminutive center, played a good game on the defense.

Ceash O'Brien thought it would be a good idea to send the second team on which he d.d. The "lightning" backfield, composed of "Jigons," Pollaci, "Polly" and Spidrik. The latter being put in place of Bezenecamp who injured his knee in the third quarter. Lester Bremick had to be taken out of the game in the third quarter suffering with a cut in his head. Ackert and Constant played a sterling game on ends, while Lee, Pollaci, Magula, Carwood were making whole on the fly. The backfield could gain ground.

High School Team In
Better Shape Than At

Charlottesville High school came out of its game with Homestead High school on Saturday in good shape, not a single injury being reported. This leaves Coach Stepanian in good shape for next Saturday's game with Rochester High school. TWO TEAMS UNITE
TO GIVE MONESSEN
A WINNING TEAM

Conscious that the best is none too good to meet strenuous competition such as that offered by California, Charlottesville, Donora, and other teams in the circuit, two football aggregations in Monessen have united. Relative to the amalgamation the Monessen Daily Independent, Saturday's issue, says:

In order to represent Monessen on the gridiron this fall with a winning football team, final arrangements were completed Thursday evening.

October 2, which united the Peerless A. C. and Monessen A. C., two popular, local clubs, under the name of the latter club, the Monessen A. C.

The Peerless A. C. consisted mainly of former High School stars and these boys revealed a brand of football last fall that has not been equalled since the days of Monessen glory, when local teams were the envy of the valley.

This fall, with the same team intact and with quite a number of other local stars who have reported for practice, the Monessen A. C. expects to put out a winning aggregation.

One of the latest newcomers to the club is Charles Calac, brother of the former Pete Calac, the renowned, Carlisle athlete who played football with Jim Thorpe and who lately coached at West Virginia Wesleyan College. He is an able and elusive runner and will probably be used extensively in the backfield.

"Other men who have reported are: Paterline, backfield man from Lock No. 4, and Consonery, also a backfield man from Charlottesville. Arrangements are being made to have Torrance "Spike" Hannigan, who was one of the finest players ever turned out at Monessen High school, report for practice Monday.

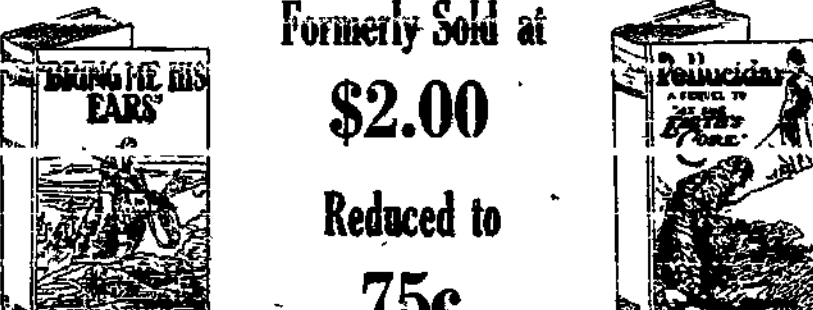

"The opening game will no doubt be played here Saturday, October 11, and although no team has been booked at this writing, efforts will be made to bring a first-class team here and local football fans will again see such former High School stars as Capt. TO CREATE AN INNOVATION IN THE RADIO

Washington, October 7.—The Radio Corporation of America is ready to begin immediate erection of a great super-power broadcasting station at some point outside the city of New York if no regulatory proposals are adopted that would limit its power. Davis Sarnoff, vice president of the corporation, announced at the radio conference here today. "Such a station located with disregard for interference with listeners and with local stations maintained by other interests would be capable of serving direct millions of people within the angle of its voice," said Sarnoff. "We might for a moment go as high as 50 kilowatts in power."

NONE IS HURT WHEN NINE CARS LEAVE THE RAILS

Harrisburg, October 7.—Nine cars of the Southwestern mail train No. 13, of the Pennsylvania railroad left the rails one mile east of here this morning and overturned in a ditch. Only a few passengers were on the train and none of these were injured. The train, a through express, was due at Pittsburgh at 1:05 p. m.

Wrecking crews of the Harrisburg, Enola and Columbia yards were summoned to clear the wreckage, which tied up both the east and west-bound lines.

WHISKY THIEVES MAKE \$14,000 HAUL AT LARGE

Pittsburgh, October 7.—Whisky thieves bound and gagged a watchman in the Thirtieth Street yard of the Pennsylvania Railroad early today, then looted a freight car and escaped with a hundred cases of bonded liquor worth \$14,000.

The liquor came from the Large distillery at Large, Pa., through a local wholesale druggist under a Federal permit.

Pretty Idea of Death

The Salvation Army workers are generally very devout and have a sincere faith. The majority of them have a beautiful conception of death. They rarely ever speak of one of their members as being dead. With them "he has been promoted to glory."—Houston Post.

Expensive Roman Wives

So expensive were the wives of Rome that Julius Caesar was induced to offer premiums to encourage marriage. He allowed married women to dress more superbly than unmarried and he relieved of various taxes the married man who was the father of three children.

Revenue From "Dead" Mail

The government employs about sixty-five persons in the dead letter office at Washington, which department costs approximately \$220,000 a year to run. This is usually more than offset by the revenue from "dead" mail and packages.

THIS BRIGHT BABY GIRL

Brought Joy to Home. Mrs. Price's Health Restored by Lydia E. Pinkham's Vegetable Compound

Scottdale, Pa.—"I never felt like working, and when I would try to do any work standing on my feet, I would just drag around all day long. At times I would have terrible pains and would be in bed three or four days. I was in this condition about a year when I saw Lydia E. Pinkham's Vegetable Compound advertised in the papers. I had heard different women say it was good for women's troubles, and my aunt thought it would help me as it had helped her. So I took the Vegetable Compound and I was in good shape before I became a mother again. I believe it helps at least, too, as with both my other babies I suffered a great deal more than with this one. I thank you a thousand times for the good your medicine has done me. It has surely made our home a happy one."—Mrs. ROBERT PRICE, Scottdale, Pa.

See a recent country-wide canvass of thousands of Lydia E. Pinkham's Vegetable Compound. 98 out of every 100 women were benefited by its use.

THE SEA HAWK IS COMING TO MAJESTIC

Michael Rosenbloom of the Majestic theatre, announces that he has booked "The Sea Hawk," now showing at the million dollar Grand, Pittsburgh, second and final week, for his theatre here soon.

"The Sea Hawk," for five years one of the best sellers on the popular fiction shelf and dealing with the colorful adventures of English knights and sweethearts and Barbary corsairs, has required a gigantic background for its many vivid scenes.

Four gigantic sea going vessels of the Sixteenth Century, exact in every detail and manned by over a thousand sailors, corsairs, gallery slaves and officers, participate in much of the action, several naval battles, during which ships ram into each other head on, then lash themselves together, while their crews engage in hand to hand combat, are said to be but a few of the unique and highly exciting scenes of the production.

Having to do with the life of Sir Oliver Tressilian as a Spanish prisoner at the oars of the galleon, his escape and final elevation to the command of a Moorish galleon and all of the battle scenes, "The Sea Hawk" reveals many bits of historical facts never visualized before, and there is said to be many thrills and heart throbs in the episodes depicting the struggles of the late English knight to convince his sweetheart of his innocence of the murder of her brother, and to regain his lost standing among his countrymen, and in the favor of Asad, ruler of Algiers.

My Skin

Is due to a super-clay

By Edna Wallace Hopper

After 40 years in the limelight—after 35 years as a stage star—I still look a girl of 19. The thousands who see me daily know that and wonder how this came about.

The chief reason lies in a new type clay. I started years ago with the old-type clays, crude and muddy, which so many still employ. They brought me amazing results. But I have kept in touch with scientific progress, and in 20 years it has brought me a clay which gives multiplied results.

Today I have what experts call the last word in facial clay. It is white, refined and dainty. And it embodies many new discoveries. Until I obtained this, I never knew one-tenth what clay could do.

Now I am supplying this clay to others. I call it my White Youth Clay. All druggists and toilet counters have it—exactly the clay I use. And I am stating its results to girls who want more beauty and to women who want youth.

My White Youth Clay murses the skin of all that clogs and mars it. It draws out the causes of blackheads and blemishes. It brings the blood to the skin to nourish and revive it. The result is a rosy afterglow which amazes and delights. Many women seem to drop ten years with one application.

It firms the skin, combats all lines and wrinkles, reduces enlarged pores. No girl or woman who once enjoys its results will ever go without it.

I want you to know what it does. My good fortune obtained it for me. I was famous as a beauty so every expert sought to give me the greatest aids to beauty. Now I wish to bring like benefits to millions.

Write me for my beauty book and I'll send with it something else to please you.

Edna Wallace Hopper, 536 Lake Shore Drive, Chicago.

MEIGHAN FILM IS DRAMA OF ALASKA

To every native "hon" and "dearie," to all local honeymooning couples and to "sweeties" of both sexes, we heartily recommend a visit to the Coyle Theatre where Thomas Meighan's latest Paramount picture, "The Alaskan," is now on display. We guarantee that, aside from the entertainment the picture provides, they will be able to pick up a few choice ideas in love-making that will, prove personally helpful. It was given to a crowded house last night, and will be shown again today, tomorrow and Thursday.

For example, the photoplay shows Thomas Meighan and Estelle Taylor in a love scene a thousand feet above the clouds!

While vast masses of heavy clouds blotted out the slopes of the mountains where Herbert Brenon took his company for the filming of this James Oliver Curwood novel, the players, on location far above them carried on their work in bright sunshine.

"The hardest task we had," said Meighan, "was to come down from the sunshine into the clouds where it was raining."

Besides Miss Taylor, the featured members of the cast supporting the star are John Sainpolis, Charles Ogle, Frank Campeau and Anna May Wong.

FORMER POLICEMAN CHARGED WITH BEING DRUNK, DISORDERLY

Franklin, October 7.—As a sequel to the dismissal of three officers of the Franklin police force, former policeman Lieutenant Richard Smith was under arrest today on a charge of intoxication and disorderly conduct.

His arrest took place twenty-four hours after he was dropped from the force on charges preferred by his wife, who claimed he threatened to kill her and their two-year-old daughter. Smith is alleged to have fired two shots at her, and she fled, taking refuge with relatives in Oil City.

YOUTHFUL ROBBERS ARE SENTENCED

been made that the woman was furnishing liquor. A quantity of plum wine was found on their premises. They claimed they had made it for their own use. Gelas was sentenced to pay the costs, a fine of \$100, and to three months in the county jail, to be reduced to one month if the fine and costs are paid. His wife was sentenced to pay the costs, a fine of \$100 and to 10 days in jail.

Nick Baron, of the Midway section, entered a plea of guilty to the unlawful manufacture and possession of liquor. He was sentenced by Judge Cummins to pay the costs, a fine of \$100 and to three months in the county jail, to be reduced to one month if the fine and costs are paid.

A new trial is granted by the court to Mike Trosky, who was convicted of a charge of assault and battery brought by his wife Mary Trosky. The court finds that the defendant is entitled to a new trial because of certain questions asked by the district attorney which had no bearing on the case, but which sought to establish the defendant's reputation as an alleged bad man.
